

TEMPO™ ATS-2

PUTTING POWER INTO YOUR HANDS

With today's technology, you can expect more from garage door automation. Tempo™ features a fast opening speed, smooth up and down door operation, and a bright LED light for convenience. This supercharged motor has the power to lift single and double garage doors. And, for your peace of mind, Tempo™ offers advanced safety features plus a 7-year warranty.#

FEATURES INCLUDE

FAST OPENING SPEED

This motor boasts a range of opening speed options for optimal performance. A faster opening minimises the wait time; if this is important to you, choose Tempo™.

SECURE & RELIABLE ACCESS CONTROL

Remote controls and wall button are designed to work every time you press the button. Our patented TrioCode™128 encryption avoids interference from wireless devices within your home and prevents code grabbing.

SAFETY WITHOUT COMPROMISE

Tempo™ features an auto-reverse function making your home's largest moving object – the garage door, safer to operate. This model is compatible with non-contact safety beams to further protect your family, pet and possessions.

APPLICATIONS

Consider Tempo™ if you are planning to automate a single or double sectional door, tilt door, are replacing or upgrading your motor.
